

Internet Services Terms & Conditions

Dedicated Server

Payment

If charges relating to your dedicated server (or any additional products associated with the server) are outstanding for a period greater than 5 working days, your service will be suspended and furthermore, HJS Essentia Ltd will refer the account to a debt collection agency and inform credit reference agencies. This may seriously affect your ability to obtain credit in the future.

All co-located dedicated servers are subject to a 12 month minimum contract term.

Email Services

Use of Microsoft Outlook Software

Some HJS Essentia Ltd Hosted Exchange Mail accounts include licensing for Microsoft Outlook Client Software. The license fee is included with the monthly HJS Essentia Ltd service fee. Mailbox owners are permitted to install the software once on one PC for each Microsoft Exchange mailbox. Sharing of a single mailbox is not permitted unless additional licenses are purchased on a monthly basis for each user. If you cancel your HJS Essentia Ltd Exchange Mail account you are responsible for uninstalling any Outlook client software that is licensed as part of the HJS Essentia Ltd service.

Size of mailbox

Each mailbox has a storage quota. This is in place to protect your account and others from potentially large volumes of email sent to a single address that could materially affect the email system server. Additional storage can be purchased. It is the mailbox owner's responsibility to ensure that his/her mailbox does not reach its allocated level. HJS Essentia Ltd cannot be responsible for email lost due to full mailboxes.

Passwords

It is the mailbox owner's responsibility to keep his/her password confidential, and to change the password on a regular basis. HJS Essentia Ltd is not responsible for any data losses or security issues due to stolen passwords. HJS Essentia Ltd recommends that you use passwords that contain numbers and symbols in order to prevent unauthorized users from guessing commonly-used choices (i.e. "12345", "password", etc.).

Technical support

Please see our online support site - with knowledge articles, how to articles and FAQ's. Additionally, we provide email and phone support.

Control panels and server management

HJS Essentia Ltd provides web-based account and server management via a control panel. This is designed to give you control over your account and the Microsoft Exchange server features. You can use your control panel to perform most of the routine account and server management tasks. Online help is available from HJS Essentia Ltd support website.

Service availability

HJS Essentia Ltd monitors the server as a whole but does not monitor individual mailboxes. The Exchange server uses SMTP, a "store-and-forward" email protocol, to deliver outbound messages. This protocol does not guarantee immediate delivery of email messages. By default, the Exchange server makes a delivery attempt every ten minutes three times; after that the server will attempt message delivery every fifteen minutes. If there is no successful delivery attempt within twelve hours, a delay notification will be emailed to the sender. If there is no successful delivery attempt within two days, the message will be returned to the sender.

Scheduled maintenance

To guarantee optimal performance on the servers, it is necessary for HJS Essentia Ltd to perform routine maintenance. Such maintenance often requires taking HJS Essentia Ltd Exchange servers off-line, typically performed during off-peak hours. HJS Essentia Ltd will give you advance notice of maintenance requiring the servers to be taken off-line whenever possible.

Security

HJS Essentia Ltd makes every reasonable effort to ensure mailbox security at all times. We do this through a combination of various network security policies, load balancing and redundant systems. We make every reasonable effort to ensure the integrity of data on our systems. On the rare occasions where there may be a problem with specific mailbox data, it is the mailbox owner's responsibility to notify us. We cannot guarantee to restore data and we accept no liability for the loss of any such data.

Server storage capacity

Each Exchange account is allotted an aggregated storage capacity initially equal to the total storage capacity of each mailbox. This storage capacity is shared among all mailboxes and public folders within your account; the quota cannot be exceeded. For an additional fee, you may increase your account storage capacity at any time from within the control panel.

Mailbox and Public Folder storage capacity

In addition to the aggregate account storage capacity, each mailbox and public folder also has its own storage limit. When the storage capacity is reached on an individual mailbox or folder, the Exchange servers shall stop sending or receiving messages. HJS Essentia Ltd is not responsible for service unavailability or data loss caused by any mailbox or folder exceeding its storage capacity. To prevent such occurrences, you can manage mailbox and public folder storage limits at any time from within the control panel.

Top level folders and sub-folders

The Exchange Server retains ownership of the two top layers of the public folder hierarchy, "Public Folders", and, under that folder, the "All Public Folders". Users of Microsoft Outlook can create as many Public folders as they wish under the existing folders, and these can be of any type allowed by the Exchange server (appointment, contacts, mail, notes, journal, or tasks).

Anti-virus checking

HJS Essentia Ltd installs anti-virus software on its email servers for all Advanced and Exchange mailboxes. This software is configured to check messages coming into the email server. If a virus is detected, the message is deleted. No notification is sent to either recipient or sender of the message. Messages sent between mailboxes on the HJS Essentia Ltd platform are not checked.

Anti-SPAM message filtering

HJS Essentia Ltd runs anti-SPAM software on its email servers for all Advanced and Exchange mailboxes. You can determine the levels of spam protection from within your control panel.

HJS Essentia Ltd also runs anti-SPAM software on outbound email from all mailboxes, and reserves the right to mark or delete any messages determined to be SPAM.

Ownership of data

All data created or stored by you within HJS Essentia Ltd applications and servers are your property. HJS Essentia Ltd shall allow access to such data by only authorized HJS Essentia Ltd personnel. HJS Essentia Ltd makes no claim of ownership of any web server content, email content, or any other type of data contained within the account holder's server space or within applications on HJS Essentia Ltd servers.

Customers are responsible for backing up their email before upgrading or removing mailboxes.

Use of email account

If HJS Essentia Ltd identify a mailbox or domain that is causing problems; we will either remove the offending mailboxes or change their settings to resolve the issue. In extreme cases, we will disable email or suspend all services to the domain as appropriate.

For details of what is not allowed by HJS Essentia Ltd and our spam/ illicit material policies please see our Internet Service Acceptable Useage Policy (Form ESS002a).

Email retrieval and timescale

HJS Essentia Ltd policy on maintaining stable data-transfer levels includes a deletion process for email as follows: (i) all mail in IMAP "Trash" folders will be deleted automatically after 7 days. Such mail is checked for nightly; (ii) if a mailbox is not accessed for 60 days, either by POP or IMAP, all mail over 90 days old will be deleted automatically. This process will be repeated nightly until the mailbox is accessed again; (iii) Root mailboxes that are not accessed for 90 days will have their quota reduced to 1MB automatically (with any existing mail over this new quota deleted). If the Root mailbox is accessed again, its quota will be increased back to the original 50MB (Root mailboxes being Standard mailboxes). Note that after 90 days, the Root mailbox will have already undergone a cleanup after 60 days of inactivity. HJS Essentia Ltd does not accept any responsibility whatsoever for any deleted mail.

domains. Nominet UK acts as the registry administrator for the .co.uk, .org.uk, .ltd.uk and .plc.uk top-level domains. EURID acts as the registry administrator for the .eu top-level domain.

SELECTION OF A DOMAIN NAME.

You represent that, to the best of the your knowledge and belief, neither this registration of a domain name nor the manner in which it is directly or indirectly to be used infringes upon the legal rights of a third party and, further, that the domain name is not being registered for nor shall it at any time whatsoever be used for any unlawful purpose whatsoever.

If you are registering your name during the finite period of time when owners of trademarks and service marks issued prior to October 2, 2000 and having national effect will have the exclusive opportunity to register identical domain names ("Sunrise Period"). You acknowledge and agree that registrations for domain names during the Sunrise Period will only be accepted for a minimum registration term of five (5) years.

By registering or renewing a .uk top-level domain and agreeing to these terms & conditions, you agree that you have read and agree to the terms & conditions of Nominet, If you are registering the domain for a third party, you agree that they have read and agree to the Nominet T&Cs as well.

.name RESTRICTIONS.

Registrations in the .name top-level domain must constitute an individual's "Personal Name". For purposes of the .name restrictions (the "Restrictions"), a "Personal Name" is a person's legal name, or a name by which the person is commonly known. A "name by which a person is commonly known" includes, without limitation, a pseudonym used by an author or painter, or a stage name used by a singer or actor.

FEES

As consideration for HJS Essentia Ltd providing domain name registration services to you, you agree to pay HJS Essentia Ltd, prior to the approval of the desired domain name registration, the amounts set forth in the HJS Essentia Ltd Price Schedule, as amended from time to time, for the initial registration of the domain name and any subsequent renewals.

Your application will not be registered until HJS Essentia Ltd receives actual payment of the registration fee. If HJS Essentia Ltd does register a domain name prior to payment of the registration fee, HJS Essentia Ltd reserves the right to cancel that registration or restrict use of the domain name until payment has been received.

All fees must be prepaid and are non-refundable, in whole or in part, even if the domain name registration is suspended, cancelled or transferred prior to the end of the registration term.

In the event of a charge back by a credit card company or other payment provider authorized by HJS Essentia Ltd, the domain name registration shall be transferred to HJS Essentia Ltd as the paying entity for the registration. HJS Essentia Ltd may reinstate your domain name registration at its sole discretion upon its receipt of the registration or renewal fee and its then current reinstatement fee. The reinstatement fee is currently UK £150.

Payment must be made by credit card or other methods we indicate in registration application or renewal form. We will renew your name for you provided your credit card or other billing information is available and up to date. If your billing information is not accurate and you wish to renew your domain name registration, we will contact you to update this information and charge accordingly.

We reserve the right to make an administration charge of £10 per domain where customers have attempted to register a domain name with multiple registrars.

TERM

This Agreement shall remain in full force during the length of the term of your domain name registration(s) as selected, recorded, and paid for upon registration of the domain name. Should you choose to renew or otherwise lengthen the term of your domain name registration, then the term of this Registration Agreement shall be extended accordingly. Should the domain name be transferred to another Registrar, the terms and conditions of this contract shall cease.

To ensure your domains are not lost we operate a positive renewal system on all our domains - your domain will automatically renew for the term it was registered for unless you opt-out of this service through your control panel. This is not refundable and it is your responsibility to ensure valid contact and payment details are on your account at all times - failure can lead to suspension.

HJS Essentia Ltd domain renewal process is automated, however, it is your responsibility to check that your renewal has been successful within one month of the renewal date.
